

## Women Helping In Our Community

The Colorado River Women's Council (CRWC) will provide a community leadership role through business, education, networking and service. Their purpose and objectives are to promote and support the business community developing participation and opportunities for women in our community. They promote civic and community projects along with youth involvement and recognition programs. Their passion is to create a forum for education, leadership, networking and communication for a better tomorrow. Their membership is open to all members of the community over the age of eighteen.

**PROTECT OUR KIDS ENVIRONMENT (POKE)**

We created POKE after the Sandy Hook Shooting. We wanted to give our local classrooms needed safety items. Since then, we have given backpacks with flashlights, batteries, radios to communicate with 911 directly in some of the schools, and small first aid kits.

Tonight's auction helps us continue to support the schools. If you would like to help, we are always in need of funds to purchase more.
