ASSISTANT DIRECTOR'S MESSAGE

Lois Baird

My dear friends, "Time is all the capital stock there is on the earth . . . if properly used, it brings that which will add to your comfort, convenience, and satisfaction. We easily can be overcome by the routine and mundane matters of mortality. Sleeping, eating, dressing, working, playing, exercising, and many other customary activities are necessary and important. But ultimately, what we become is the result of our knowledge of and willingness to learn from Deity; it is not merely the sum total of our daily pursuits over the course of a lifetime." The service you give to assist in meeting the needs of less fortunate individuals is profound! It is a pleasure to serve with individuals who are so giving and unselfish. The cheerfulness you radiate is contagious. It is gratifying to associate with you!

ROCKY MOUNTAIN POWER DONATION

Tim Solomon, IFAHC Board member and Rocky Mountain Power employee presented a check to Randy Hurley, IFAHC

"The Rocky Mountain Power Foundation

is committed to strengthening the vitality of communities through grants like this, and we appreciate your commitment to recognize the Foundation's support in the community, as described in your application. In addition to evaluating the quality of grant applications, funding is determined by the availability of resources in a given year, cycle, community and whether a previous grant recipient has complied with...reporting

requirements." We are deeply grateful to Rocky Mountain Power Foundation for their continued support.

VOLUNTEER HIGHLIGHT

Sheri Alder joined IFAHC in September. A lady of many talents and interests, she has enjoyed working in the sewing, quilting, and toy painting departments so far. She is proud of her heritage and loves reading stories of her ancestors, people who had great faith in God and great love for their fellowmen.

Sheri Alder & husband

When she was about age 13, her mom let her read some of their histories, and from that moment she wanted to pattern her life after their examples: midwives, doctors, seamstresses, historians, actors, inventors, quilters, and great cooks. Sheri served in the Pittsburg, Pennsylvania, mission for her church. She met her husband Burt through a mutual friend. They were married in the Salt Lake Temple in 1982. They raised three children in Wyoming and Utah. They have three grandchildren with another one on the way. Burt works at Idahoan Foods as an engineer. Sheri has been the humanitarian leader in several of her church congregations since 1996. She loves serving others, especially those who are less fortunate. Welcome, Sheri!

gether that they insisted on being photographed with their handiwork. At the end of the evening, the Center received a generous corporate C-A-L Ranch donation.
