

Being Special

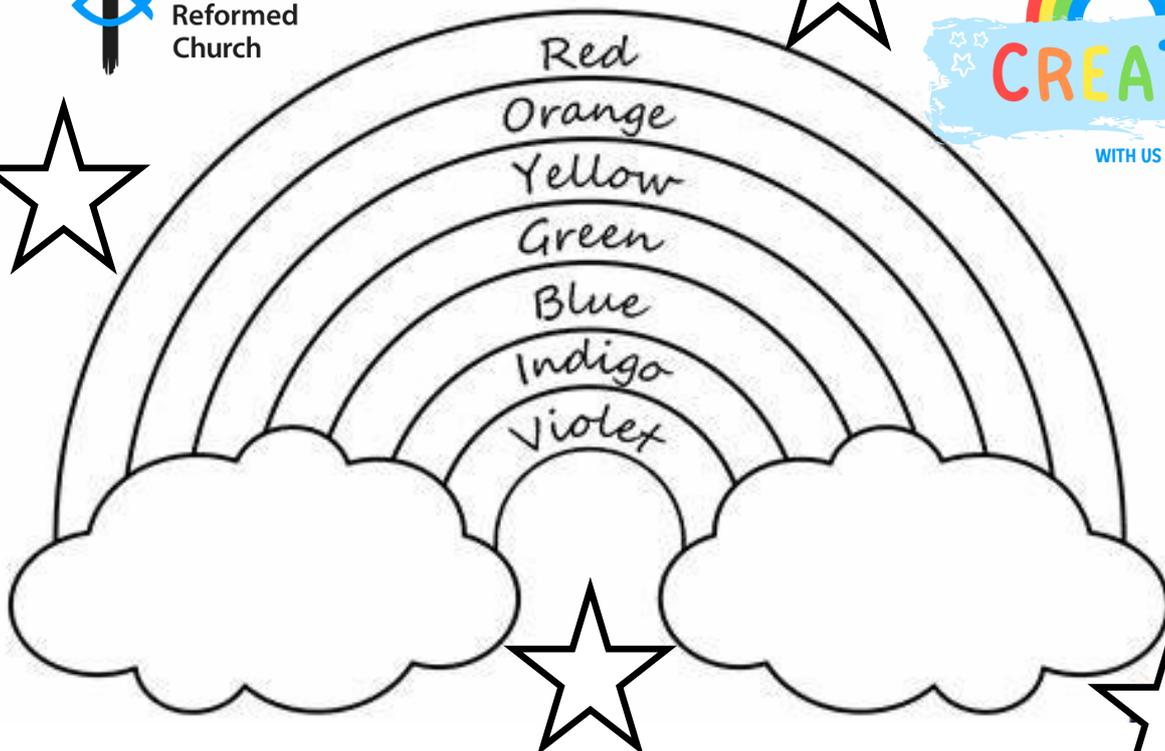

Being Special

God loves you  
Colour the heart and display

Colour and cut out

God watches over us and knows us

Gods ways are  
Good.

I can follow  
God's ways

How do use our hands?

I can use my hands to  
help others

Tidy my toys

Wave and say hello

Put rubbish in the bin

Clap and be happy.

## Being Special

Paint hands and  
print on paper

I am special

Hand printing shows  
all the lines on your  
hand.

Your finger prints are  
special and unique.

## Being Special

God made  
me special.

No one has  
fingerprints like mine.
