## Prayer and blessing Zone

### Prayer ideas

The heart – Lord we pray that your love will flow into our hearts and then shared out in our community and into the world.

Bottles – We thank you for water and fluids to keep us healthy, we pray and think of the third world countries who do not have these privileges. Lord show us which charities to support and we pray for the charities that help these nations.

Eggs – Thank you for our proteins, for food and provision, Lord teach us to share with those who do not have food, thank you that we can support the food banks, for the families in need at this time, for our neighbours and those who struggle.

Rings - a sign of commitment - we pray for the people close to us and the people in our care and for protection on our family units.

Teddy bear - different colours and flavours – We pray for the people in the world, for different cultures, for acceptance, for love and peace for all nations.

Cherries - we pray for the Spirit of God to change lives, we pray for patience, peace, kindness, goodness, love, gentleness, self-control and joy, we pray that that we can use and share these gifts as we help others.

Lips – Let good come from our mouths, we praise you Lord for your goodness, show us how to encourage others, sharing your truth and love. Amen
