# Good Friday Thought

An Easter Thought

A familiar picture at Easter is the picture of 3 crosses

If I rearrange the 3 hot cross buns slightly, lets think about each cross.

1. Cross 1—forgiveness for the wrong things
2. Cross 2— Jesus went to the cross
3. Cross 3—Represents love

# Good Friday—Response

Think about the symbol **X** when we see this it tells us something is wrong or not allowed.

Is there something that is wrong in your life, ask God to help you and forgive you

When we see a cross it reminds us of Jesus and his suffering and sacrifice for us.

What can we offer to Jesus?

How can we serve others ? as Jesus did.

When we see this symbol X in a birthday card, it is written as a sign of love.

Jesus suffered on the cross because he loves you and me, he did it for every body. For God so loved the world, Amen
