I, _____, do solemnly swear that I WILL NOT use Beards With a Cause for self gain, and agree that any criminal charges brought against me may warrant my dismissal from the membership of BWC.

I agree not to reflect anything negative against BWC, as it is a Nonprofit, setup to help others, not be brought in the middle of drama.

If for some unforeseen reason myself & BWC part ways, I agree to not slander their name. I give BWC authorization to keep this record on file, for legal purposes, as well as any personal information; however, they are not to publicly share this information. I acknowledge, & agree to the 90 day probationary period, which allows myself time, as well as BWC to ensure it's a decent fit for the two of us together. During probationary period, BWC reserves the right to dismiss me altogether if there are any issues. I agree to take part in charity events, and give back to those in need.
