ABOUT THE FAMILY

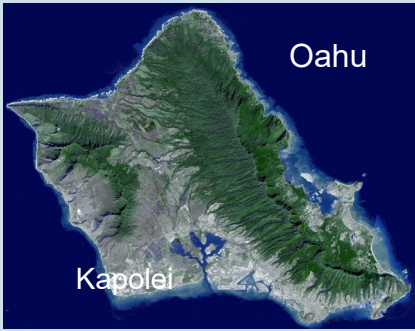

David and Nancy both grew up in church planting families. They raised their three kids in Hawaii, who are now young adults. After pastoring 3 mainland churches, they planted Cornerstone Christian Fellowship in Kona and then worked as Director of Missions on the Big Island. Having left Hawaii for 4.5 years to help 52 church planters get started in the Los Angeles area, they now sense God leading them back to plant a new church on Oahu.

ABOUT THE CHURCH

This church will exist to see the individuals and families of Kapolei encounter the real God through real relationships. We dream of many who will commit their lives to Jesus Christ for the first time. We dream of many who will be raised up as leaders and sent out in teams to start churches and do mission work throughout Hawaii and around the world.

ABOUT THE NEED

Kapolei is a growing city that is being called "Second City" to Honolulu. Major businesses and industries are buying up land and are building there. The military has bases there and a light rail system is about 50% complete that will connect Honolulu with Kapolei. Many new homes and apartments are being built to accommodate the new growth. With a population of over 107,000, there is no SBC church in Kapolei. In addition, the ministry area will include the populations of the surrounding cities. This is the time to get a Christian foothold in Kapolei.
