

BRIDGEPORT FISH ENHANCEMENT

FOUNDATION REMINDS ANGLERS OF OUR TAGGED TROPHY TROUT PROGRAM FOR 2020 & FORWARD

Example of 2021 tags are bright orange- affixed to dorsal fin

Example of 2020 BFEF Tags - Purple

BFEF partnered with Desert Springs Trout Farm in 2015 to tag and stock trophy trout. These BFEF tagged trophy trout are stocked into various Bridgeport Area Waters, each year.

Anyone who catches any BFEF tagged trophy trout MUST bring the BFEF fish into Ken's Sporting Goods for; verification, and a photograph in order to claim / receive a certificate. Showing up with a BFEF tag alone is not acceptable verification for receiving an entry into the Special BFEF TTT Cash Drawing.

2020 and years forward, BFEF Tagged Trophy Trout catches with verification, as listed above, entitles the angler to receive a certificate for a free entry into a BFEF TTT Club "Special Cash Drawing" at our BFEF June Tournaments. Winners must submit these certificates at the tourney, must be a tourney participant and must be present to win. 2019 and prior years certificates can be still be used for free tourney entries or for entering the special BFEF TTT Club cash drawing to increase your winning chances.

2019 and prior years BFEF TTT Certificates for free entries, MUST be attached to the BFEF June Trout Tourney entry form to waive the entry fee into a BFEF June Trout Tourney.
