Meals for the Holidays

GIVING TUESDAY

GIVE A MEAL. GIVE A MOMENT OF HAPPINESS

While many Americans are preparing for the holidays, buying gifts, and planning holiday meals, December is one of the most challenging months of the year for many others, especially for children and families that are just surviving, with barely enough to eat.

For the last seven years, our focus at FEED First USA has been on combatting child hunger. FEED First has been one of the safety nets and last lines of defense against hunger and food insecurity for children in low-income, underserved communities.

However, This year, the challenges faced with the current crisis have gone from bad to worst, not only for children but also for the homeless, disabled vets, and seniors in the community. This year we actively addressed this need with the formation of our Meals4Mercy program.

Meals4Mercy is a program that provides meals and assistance for anyone that needs our help, whether it is meals for displaced families or coats and blankets during the cold winter months.

"Meals4Mercy" is a cause operated out of a desire to relieve hunger and food insecurity in children, families, and those who can no longer help themselves. We are motivated by compassion and the desire to serve others. When mercy occurs, it provides relief from suffering and a moment of happiness.

Help us to increase the number of meals that we serve to those in need this December by making a tax-deductible donation to FEED First USA starting on **Giving Tuesday, November 29, 2021**
