### **President's Message:**

Greetings Members,

Happy Holidays and Winter Solstice!  
I hope this message finds you all well and in  
good health! The shortest day has passed  
and now it is onward and upward towards  
Spring!!

Thanks to all who attended the Holiday  
luncheon, it was a nice afternoon get together  
and the food and service was superb!

Spring will be here before you know it! Time to  
make a to do list for the upcoming growing  
season and place dahlia orders for the 2026  
growing season.

Now is a good time to check your dahlia tubers  
to see how they're faring in winter storage.  
How are your stake supplies? Take inventory  
so you know how many new or replaced ones  
you are going to need.

Lots of projects can be done now instead of  
waiting till Spring to tackle them!

Our January meeting will focus on planning out  
the 2026 season and choosing topics and  
areas of growing / showing dahlias.

Please think of things you would like to see  
covered.

Our January date and time has CHANGED  
due to a scheduling conflict. It is **January 3,  
2026** from **9:15 -11:15**. Please make note of  
this.

There will also be a seed starting demo at  
Saturday 's meeting as well.  
Hope to see you on the 3rd!

Sincerely,  
Kevin
