OUR FAITH

Blessed Trinity is a parish of the Polish National Catholic Church (PNCC).

We are a Catholic and Apostolic Church, preserving the faith, worship, structure and practice of the undivided Church.

We are also a Democratic Church where clergy and church members meet together at local, diocesan and national synods to elect candidates for bishop and make decisions for the Church. Blessed Trinity elects annually a parish committee that together with the pastor, oversees the management of the parish. Blessed Trinity has been serving the greater Fall River community since 1898.

Our History

More than 100 years ago our parish was organized by a group of people dedicated to the Catholic faith but with democratic form of church governance. Through the years, the principles that caused our Church to come into being have been followed and strengthened. Today Blessed Trinity and the PNCC meet the spiritual needs of a diverse ethnic population. The Mass, homily and services are celebrated in English.
