

2025 Summer High School Program Information

High School Parents & Athletes,

We are excited to offer another summer of high school baseball! Our goal is to provide your athletes with the best possible exposure to college coaches and the necessary training to enhance their skills as ball players.

At WFBA, we have established strong relationships with local universities and all five schools in the NJCAA D1 Panhandle conference. Understanding the importance of college exposure, our athletes will have the opportunity to participate in private showcase events, where they can showcase their talents in front of college coaches. This initiative is designed to maximize their visibility and opportunities for college recruitment.

If you have additional questions, please do not hesitate to **text** or **call** 850.780.6132.

We look forward to helping your athletes achieve their highest potential!

- **Showcase workouts**

Every athlete will have the option to attend all showcases.

Every athlete will have the option to attend a minimum of 3 tournaments, in addition to the private showcases.
