Regarding the garage door and openers for 52 Firefly Court.:

We've decided to go with items three and four on the quote. Item 3 was quoted at \$3011.26 and item 4 was quoted at \$1857.10.

We would also like them without, that is again WITHOUT the battery back up And Wi-Fi.

Questions please contact me at the telephone number or email in my signature.

Sincerely,
Greg and Karen
