Every person or entity who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall be deemed to have a membership in the Association. The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No owner, whether one or more persons, shall have more than one membership per Lot. In the event of multiple Owners of a Lot, votes and right of use and enjoyment shall be as provided herein. Membership shall be appurtenant to and may not be separated from ownership of any Lot. Ownership of a Lot shall be the sole qualification for membership. The rights and privileges of membership including the right to vote and to hold office may be exercised by a member or a member's spouse, but in no event shall more than one vote be cast nor office held for each Lot.

Section 2. Voting. The Association shall have two classes of membership, Class "A" and Class "B", as follows:

(a) **Class "A".** Class "A" members shall be all Owners with the exception of the Developer. Class "A" members shall not be entitled to vote on any matter coming before the Association until the date of the first annual membership meeting. At such time that Class "A" members are entitled to vote hereunder, Class "A" members shall be entitled to one vote for each Lot in which they hold the interest required for membership by Section 1 hereof. When more than one persons holds such interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise in writing the Secretary prior to any meeting. In the absence of such advice, the Lot's vote shall be suspended in the event more than one person seeks to exercise it. If a Lot is owned by a corporation, partnership or trust, such entity shall designate in writing the person authorized to vote on behalf of such entity;

(b) **Class "B"**. The Class "B" member shall be the Developer. The Class "B" member shall be the sole voting member of the Association until such time as (i) the Class "B" member no longer holds the interest required for membership by Section 1, Article V or, (ii) at such time as Developer voluntarily surrenders its Class "B" membership rights, by written notice to all Class "A" members, following which the Class "B" membership shall cease and become converted to Class "A" membership.

**ARTICLE VI
COVENANT FOR MEMBERSHIP FEE AND ASSESSMENTS**

Section 1. Purpose of Assessments. The assessments levied by the Association are for the purpose of promoting the recreation, scenic enjoyment, health, welfare and safety of the residents and for protecting, advancing and promoting the environment of the properties for the common benefit and enjoyment of the Owners and occupants of residences, improvements and maintenance of the common areas and other common facilities and areas of common responsibility including but not limited to repair, replacement and additions thereto, and for the cost of labor, equipment and materials, management and supervision thereof, all as may be authorized from time to time by the Board of Directors.

Section 2. Creation of Lien and Personal Obligations of Assessments. Each Owner of any Lot, by acceptance of a deed or other conveyance therefor, whether or not it shall be so expressed in such deed or other conveyance agree to pay the Association:

- (a) Annual assessments following such time said Owner becomes a voting Class "A" member as provided for in Article V, Section 2,
- (b) Special assessments, and/or
- (c) Individual assessments against any particular lot shall be established and collected pursuant to the terms of this Declaration, including but not limited to reasonable fines as may be imposed herein.

All such assessments, together with interest thereon, late charges and costs of collection thereof, including reasonable attorney's fees (i) shall be a charge and a continuing lien upon the Lot against which any such assessment is made, and (ii) shall also be the joint and several personal obligation of each person who was an Owner of said Lot at the time when any such assessment made against said Lot fell due.

No owner shall be entitled to a refund of any portion of the entering membership fee, or any annual or special assessment, or installment of a special assessment, paid by him, even though said Owner's membership in the Association terminates prior to expiration of the period covered by any such assessment or installment theretofore paid by him. No owner may avoid or escape liability for the entering membership fee, or any annual or special assessment, or individual assessments, imposed or levied pursuant to this Article VI by abandonment of his Lot or by attempted waiver of non-user of the benefits of membership in the Association, or of the Common Areas and facilities.

Section 3. Annual Assessment. At such time there is no longer a Class "B" member, it shall be the duty of the Board at least thirty (30) days prior to the Association's first annual meeting and each annual meeting thereafter to prepare a budget covering the estimated costs of operating the Association during the coming year which may include a capital contribution or reserve in accordance with a capital budget separately prepared. The Board shall cause the proposed budget and the assessments to be levied against each Lot for the following year to be delivered to the last known residence address of each member at least thirty (30) days prior to the meeting. The budget and the assessment shall become effective unless disapproved at the annual meeting by a vote of at least fifty-one percent (51%) of the total Association voting membership who are entitled to vote hereunder. Notwithstanding the foregoing, however, in the event the members disapprove the proposed budget or the Board fails for any reason to determine the budget for the succeeding year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the then current year shall continue for the succeeding year.

Section 4. Special Assessments. In addition to the annual assessments authorized above, the Association may levy in any calendar year, a special assessment for the purpose of defraying in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the total membership who are entitled to vote hereunder who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days in advance of the meeting setting forth the purpose of the meeting. The Board of Directors may make such special assessments payable in installments over a period which may, in the Board's discretion, extend in excess of the fiscal year in which adopted.

Section 5. Individual Assessments. In the event that the need for maintenance or repairs of the Common Areas is caused through the willful or negligent act of an Owner, his family, Lessee's guests or invitees or in the event that an Owner of any Lot shall fail or refuse to maintain such Lot, or repair or replace the improvements located thereon in a manner satisfactory to the Board, or to the Architectural Control Committee, then, the Association, after approval by vote of 75% of all members of the Board, shall give such written notice of the Association's intent to provide the required maintenance, repair or replacement, at such Owner's sole cost and expense. The Owner shall have fifteen (15) days within which to complete said maintenance, repair or replacement, or if such work cannot be accomplished within said fifteen (15) day period, to commence said maintenance, repair or replacement. If such Owner fails or refuses to discharge properly said obligations as outlined above, the Association shall have the right, through its duly authorized agents or employees to enter at reasonable hours of any day, upon said Lot to perform such work. The Association may levy an individual assessment upon any Lot, except as provided in Section 7 of this Article, to cover the cost and expense incurred by the Association in fulfilling the provisions of this section.

Section 6. Exemption from Assessment. The following property subject to this declaration shall be exempt from all assessments, charges and liens created herein:

- (a) All properties to the extent of any easement or other interest therein dedicated

and accepted by any public authority and devoted to public use;

(c) Any vacant land or Lots owned by a Class "B" member unless a Lot is occupied as a residence. Any such land or lots owned by a Class "B" member shall be maintained by such Class "B" member at such member's sole cost and expense.

Section 7. Assessment Due Dates. The annual assessment installments for each Lot shall commence on the first day of the month following the last to occur of (i) the transfer of ownership of the Lot from Declarant to the Owner, and (ii) first annual meeting of the Association, and shall become due and payable on the first day of each month thereafter. The method of payment and due dates for special assessments shall be as established by the Association in accordance with Section 5 of this Article VI. The method of payment and due dates for individual assessments shall be as determined by the Board in accordance with Section 6 of Article VI. The Association shall prepare a roster of lots and assessments applicable thereto, which shall be open to inspection by any member upon reasonable notice to the Board.

Section 8. Computation. Annual and special assessments shall be charged equally against each Lot.

Section 9. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments which are not paid when due shall be delinquent. Any assessment or assessment installment delinquent for a period of more than ten (10) days may incur a late charge in an amount as the Board may determine from time to time. The Association shall cause a notice of delinquency to be given to any member who has not paid within the ten (10) days following the due date. If the assessment or assessment installment is not paid within thirty (30) days, the Association may declare the entire balance of such assessment for the remainder of such annual period due and payable in full, and a lien shall include the late charge, interest on the principal amount due at the maximum allowable rate from the date first due and payable, all costs of collection, reasonable attorney's fees actually incurred, and any other amounts provided or permitted by law. In the event that the assessment remains unpaid after sixty (60) days, the Association may, as the Board shall determine, institute suit to collect such amounts or to foreclose its lien. Each Owner, by acceptance of a deed or other conveyance of a Lot, vests in the Association or its agents the right and power to bring all actions against such Owner or Owners personally for the collection of such charges as a debt and/or to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting on behalf of the Owners, shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage and convey the same. No Owner may waive or otherwise escape liability for the assessments provided for herein, including by way of illustration, but not limitation, abandonment of the Lot.

Section 10. Subordination of Lien. The lien provided for in this Declaration shall be subordinate to the lien of any first mortgage now or hereafter placed upon the Lot subject to assessment, provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such Lot pursuant to a decree of

foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

Section 11. Estoppel Certificates. The Association shall, upon request of a member, at any reasonable time, furnish an Estoppel Certificate signed by an officer or other authorized agent of the Association, setting forth the amount of unpaid assessments and/or other charges, if any, against said member's Lot, up to a given date or time of conveyance. Also, said estoppel certificate will certify as to whether or not there are violations of the governing documents on the Lot as of the date of preparation of the certificate. Said certificate shall be delivered to the place of closing, and all outstanding assessments and other charges, if any, and a reasonable charge, as determined by the Board, to cover the cost of providing such certificate shall be deducted from the Seller's account at the closing and transmitted directly to the Association.

ARTICLE VII EASEMENTS

Section 1. Utility Easements. There is hereby created an easement upon, across, over, through and under the properties for ingress, egress, installation, replacement, repair and maintenance of all utility and service lines and systems including, but not limited to water, sewers, gas, telephones, electricity, television, cable or communication lines and systems. Such right expressly includes the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or to take any other similar action reasonably necessary, following which the Developer shall restore the affected property to its original condition as near as practicable. The Developer shall give reasonable notice of intent to take such action to all affected Owners, unless in the opinion of the Developer an emergency exists which precludes such notice.

Section 3. Detention Area. There is an area for detention water as shown on the Plat of Subdivision. All members of the Association shall have access to the detention area from the public area as depicted on the plat. The private lots surrounding the detention area are reserved for private use by the owner of that lot. The cost of maintaining the detention area shall be included in the Association budget and included in the annual assessment.

Section 4. Construction Easements and Rights. Notwithstanding any provision of this Declaration, so long as the Developer or participating builders are engaged in developing or

improving any portion of the properties, such persons shall have an easement of ingress, egress and use over any lands not occupied by an Owner for (1) movement and storage of building materials and equipment, (2) erection and maintenance of directional and promotional signs, and (3) conduct of sales activities. Such easement shall be subject to such rules as may be established by the Developer to maintain reasonable standards of safety, cleanliness and general appearance of the properties.

The Architectural Control Committee shall have the right to prevent the clearing of the Lot and subsequent excavation and grading prior to construction of the main residence upon such a Lot

Notwithstanding any other provision to the contrary, the Architectural Control Committee may adopt binding rules and regulations from time to time pertaining to the keeping of any and all pets upon the properties (including the inside of a residential building) when the Architectural Control Committee determines such action to be in the best interest, well being and enjoyment of any and all of the residents of the Manor Hill Subdivision, all plats.

(c) begin any action in any court on behalf of the Association and all owners to abate any nuisance, or otherwise to protect the values and integrity of the community.
