56 firefly draw 2 material package.pdf; Legacy - trucking excavation.pdf; menards deck package.pdf; menards framing package.pdf; menards roofing package.pdf; menards window.pdf;

You are correct.

Thank you

Here is the revised

Please see attached draw for the building materials packages

Framing package

Roofing package

Deck package

There is 4 separate line items for Menards

Those checks should be separate to Menards please

They need to be separate orders with separate deliveries

1 big check always causes problems separating the delivery orders.

I think the current payments for draw 2 were added to the wrong build-cost sheet. Please advise.

We got some bad news from Menards

One of the building department guys sold the window that Paull priced out for you.
Paul called and said it was missing and wanted to know if we picked it up.
Come to find out one of the staff members in building materials sold it to someone else.

So that leaves us without a triple window.

He talked to the manager and was able to get a price reduction off a new triple window
Of cores nowhere near the price they were giving you.
With your credit it came up tot difference of \$1381.80

The only bright side to this is that now that window will have the warrantee where the other one
would not have had a warranty.

I approve the draws. I'm a little confused with balance sheet as well.

Can you also send me the construction balance after lot and closing cost.
The actual amount that will be used for construction after all fees.

I need that to balance the spreadsheet
I know it's not the 568,589.07 that's Listed
That will give us a more accurate reading of where the jobsite cost is actually at.

Build Cost Estimation & Draw Form 2 corrected

Home Address: 56 Firefly Chatham

The build cost Form below is an estimation of the build cost for your home. The estimates on the build cost are estimated from the most recent builds we have done. The prices below are good faith estimates only. Actual cost may vary depending on the market cost of materials at the time of your build. Any dates give to you for an estimated completion dates are just estimations. Currently our market is grossly understaffed on subcontractors and therefore builds are taking longer than normal to complete.

***Please Note:** The 11% Rebate* is a mail-in-rebate in the form of merchandise credit check from Menards, valid on future in-store purchases only. The merchandise credit check is not valid towards purchases made on MENARDS.COM®. "Price After Rebate" is the Price or Sale Price, minus the savings you can receive from an 11% Mail-in Rebate* in the form of an in-store merchandise credit check. The 11% Rebate* is not a point-of-sale discount on any item purchased. Participating customers must mail their rebate receipt and completed rebate redemption form to the address on the redemption form to receive their merchandise credit check. See redemption form for details. Limited to stock on hand. First come, first served. Future sale price adjustments, exchanges and merchandise returns will void the 11% rebate on the items adjusted, exchanged and/or returned. Rebate is valid on special ordered products but does not extend to the special ordering of any normally stocked items. Not good with any other coupons or offers except Menards® coupons, Menards rebates and manufacturers' coupons. Multiple receipts may accompany one rebate certificate. Menards® reserves the right to limit purchases of any and all items to reasonable job lot quantities. Excludes event tickets, gift cards, propane purchases, delivery and handling charges, all rental items, KeyMe®, re-keying services, processing fees, service and labor fees, packaging charges and extended service agreements. By submitting any rebate form, you agree to resolve any disputes related to rebate redemption by binding arbitration and you waive any right to file or participate in a class action.
