info@aeroheadmfg.com
DUNS: 118484954 // CAGE: 98CP5
UEI - W3ZAT22LEJG9

Capabilities:

- CNC Machining 3,4,&5th Axis
 - Laser Etch/Engraving
 - Custom Kydex Forming
 - Cerakote Finishing
 - Vibratory Finishing
 - Sand Blast Finishing
 - FeatureCam Software
- High Accuracy Inspection Guarantee
 - AutoCAD Design

Vertical Milling Equipment:

- VF-2SS (3 Axis) * 8
- VF-3SSYT With HRC210 (4th Axis)
- VF-3SSYT With TRT210 (5th Axis)

Finishing Equipment:

- Trinco Direct Pressure Blast System 60"x48"
 - Oven 60"x36"
- Open-Face Ductless Paint Booth 72"x48"
 - Vibratory Tumbler *2
- Anodizing Operations – Under Construction

Laser Equipment:

- Laserstar 80-Watt Fiber (MOPA) CNC Laser

Inspection Equipment:

- Keyence Handheld Probe
- Coordinate Measuring Machine XM-T2200 (±3 μm Accuracy)
 - Mahr
- Marsurf PS10 Surface Profilometer

Management Team

Chief Executive Officer - DV Andrew Rencich ar@aeroheadmfg.com
Chief Operations Officer April Rencich ar@aeroheadmfg.com
