Sewing Instructions

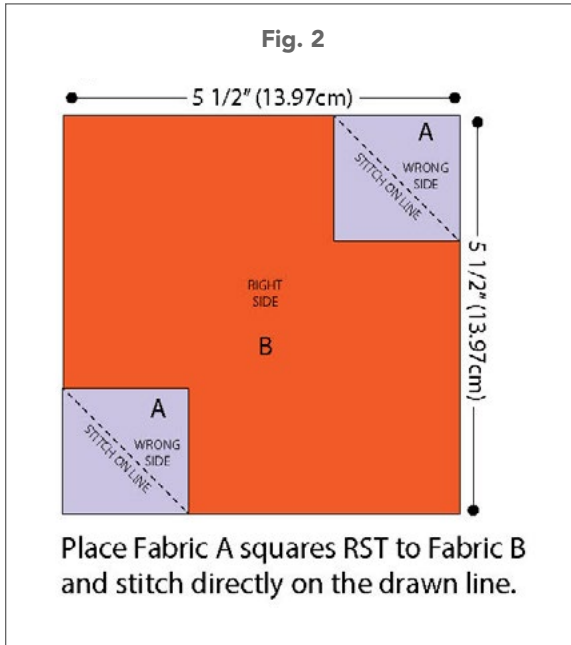

RST = Right Sides Together

Note: Use a ¼" (.64cm) seam allowance throughout. Sew all pieces with right sides together and raw edges even. Use thread that matches or blends with the fabric colors. Make the Blocks

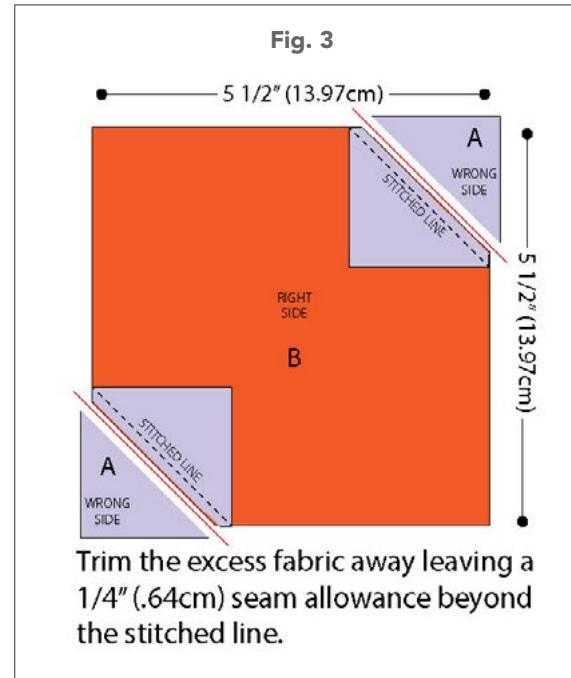

1. Using a removable-ink marking pen, draw a diagonal line on the wrong side of each 1¾" (4.46cm) **Fabric A** square (**Fig. 1**).

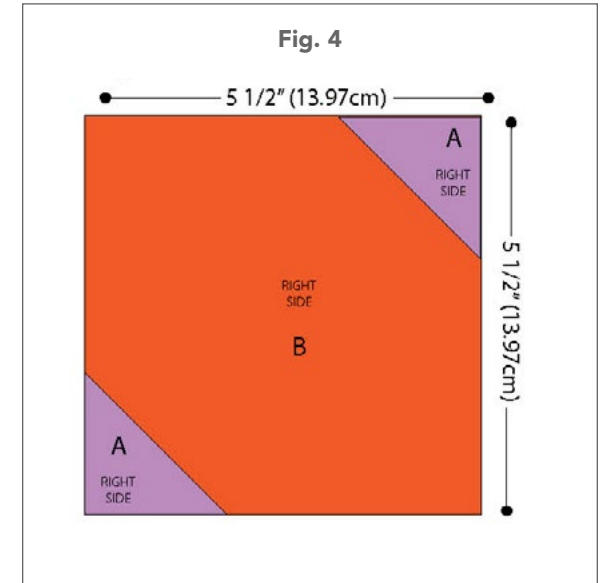

2. With RST, pin 2 marked **Fabric A** squares to a **Fabric B** square. Stitch on the drawn line of each square (**Fig. 2**).

3. Trim $\frac{1}{4}''$ (.63cm) from the stitching on each square (**Fig. 3**).

4. Press the resulting **Fabric A** triangles toward the seam allowance (**Fig. 4**). The finished block should measure $5\frac{1}{2}'' \times 5\frac{1}{2}''$ (13.97cm x 13.97cm) square.

5. Repeat steps 1-4 with all remaining marked **Fabric A** squares, pairing them with the remaining $5\frac{1}{2}'' \times 5\frac{1}{2}''$ (13.97cm x 13.97cm) **Fabric C-U** squares. Make a total of 224 blocks.

Quilt Assembly

- Following the **Quilt Layout**, arrange the blocks in 16 rows of 14 units each, noting that some blocks are rotated 90 degrees to create the pattern of winding paths.
- Sew the blocks together in rows and press the seam allowances in opposite directions from row to row. Matching the seams at all seam intersections, pin and sew the rows together. Press.

Finishing

- Layer the quilt top with the batting and backing and baste the layers together using your favorite basting method. Quilt or tie as desired. Carefully trim the backing and batting even with the quilt-top edges.
- Using diagonal seams, sew together the (8) 2½" x WOF (6.35cm x WOF) **Fabric V** strips to make the binding strip. Press the seams open. Fold the strip in half lengthwise with WST and press.
- Sew the binding to the top of the quilt through all layers with the raw edges even. Miter the corners as you reach them. Turn the binding to the back of the quilt and blind-stitch in place.
