

Bloc Loc Log Cabin Strip Cutting Guide

Mini Log Cabin Ruler

Make either 1/4" or 3/8" logs

For 1/4" finished logs, cut strips 1" wide

For 3/8" finished logs, cut strips 1 1/8" to 1 1/4" wide

Small Log Cabin Ruler

Make either 1/2" or 1" finished logs.

For 1/2" finished logs, cut strips 1 1/4" wide

For 1" finished logs, cut strips 1 3/4" wide

Large Log Cabin Ruler

Make either 3/4" or 1 1/2" finished logs.

For 3/4" finished logs, cut strips 1 1/2" wide

For 1 1/2" finished logs, cut strips 2 1/4" wide

Extra Large Log Cabin Ruler

Make either 2" or 3" finished logs

For 2" finished logs, cut strips 2 3/4" wide

For 3" finished logs, cut strips 3 3/4" wide

Your log cabin ruler can also be used to trim slightly oversized borders, insert a 1/4" or 3/8" sewn in flange (see video) or mix up different width strips onto the same block! And because the rulers are double-sided, you can easily make curved log cabin blocks!
