

To: Local St. Louis Area Small Businesses & Individuals

My name is **Marshelle Woodland**. I'm known to many as **Motivational Comedian Ms. Woody**. I'm the founder of **Show Me Enterprise Group, LLC**. I started my company to **help and heal through laughter**. I'm seeking **support to have some small events at the end of 2023 and for some major events in 2024**. All of these events are **fundraising events to help support the End Homeless Mission Movement and all Non-Profit organizations willing to Partner For Change**. All will become **annual events and will have vendor spaces to support local and/or out of town business owners**. Together we can make a **major impact for the community through Community Fundraising Events and help each other's businesses grow!** The smaller events in **2023 will serve as fundraising efforts to help cover the cost of the major events in 2024**. If you want to **support as an individual or small business**, you can choose a level from **\$25 to \$1000** via any of the **Show Me Enterprise Group, LLC websites**. You can choose to **make a purchase, give as a sponsor to receive advertisement of your brand on websites, flyers, banners and merch and/or be a vendor at events**. Or, you can make an investment of **\$1,000 to \$5,000 to get a return on your chosen level at 100% return after the first major event in 2024**.

SMALL EVENTS FOR THE END OF 2023

- **Fall Concert Series in a small local park or small venue with giveaways via raffle drawings.**
- **Fall and Winter Comedy Series that will take place at a local venue.**

MAJOR EVENTS FOR THE YEAR OF 2024 AND BEYOND

- **The 4rd Annual "Show Me" Juneteenth STL Events for 2024 can be held at a local park or large venue.**
- **A \$100,000 Comedy Competition & Festival at the St. Louis Convention Center.**
- **A Guinness World Record attempt at the St. Louis Dome.**
- **A Stand, Walk, Run or Roll 5K Event in 2024 can be held at any STL park or on the streets of areas that can be blocked off.**

The **"Show Me" Juneteenth STL events took place at Harris-Stowe State University in June of 2021 over a 2 day weekend and we returned in 2022 for an end of the month celebration**. Our **2023 "Show Me" Juneteenth STL events took place over 4 weeks at 3 locations in the St. Louis area**. We had **two events at Skate King, two events at Real World Banquet Hall and an outdoor concert at Better Family Life**. The plan is to take those events to the next level in a much bigger space like the **STL Arch Grounds or a large park**. The **Comedy Festival & Guinness World Record attempts are mass participation events in comedy**. These events **will bring world-wide exposure to our city** because it includes a **Guinness World Record attempt and is a Community Fundraiser to combat homelessness**. The **goal is to fill the St. Louis Dome to capacity for a comedy world record**. The **Convention Center will be our location for comedians to have their Meet & Greets, have workshops and other entertainment**. This will be a **great opportunity for over 400 vendors!** I have the **approval to have these two events at those locations but a deposit is needed to lock in the dates**. Your help is needed to lock in **3 dates over a weekend in August of 2024** for the main events of the **Comedy Festival and Guinness World Record attempt**. These events **will help worthy causes and help our city heal through laughter**. This is just one way of bringing a solution to some of the major issues in our city. Like, **raising awareness and funds to bring down the Homeless Numbers, Mental Illness and Crime in our city**. We can **Pay-It-Forward by having raffle drawings for 3 to 12 months of rent or mortgage assistance payments with the tickets sold to those attending**. Many **A-D List Comedians are interested in being hosts for the main events for the Comedy Festival or Guinness attempt**. Some are interested in being a **host or performer at events planned for Community Fundraisers**. **Again, your support will help make these events a success in 2023-2024 and beyond**. You can request to have a meeting with me for more details.

Thank you for your time.
