

## JWS Board Meeting

July 2, 2020

### Minutes

Attendance: Denita Peterson, Breann Sells, Sheri Dye, Suzanne Nichols

Coach Sells gave an update on the HS season, status of field usage. The team is playing but Linn County Public Health has put Linn county back into phase 1 of reopening. If a team has to “shut down” they will be done with the entire season as 1st round begins in 2 weeks. Coach reports the district hasn’t made a determination on use of facilities by outside organizations – JWS should continue with the current practice plans.

Suzanne confirmed that those on the call had received the budget information she had sent prior to the beginning of the meeting. They received the narrative but not the actual budget. She was unable to hear what was being said, so requested that someone else take minutes and she dropped from the call.

There were only 4 participants – not enough for a quorum. With Suzanne dropping from call (that only left 3), there was no sense in continuing. Meeting was ended.
