

Junior Warrior Softball Association

August 2021

Dear Sponsors:

The Junior Warrior Softball Teams are entering their 15th season. As these girls grow they eventually enter the Washington High School program. Until now we have not experienced the numbers at a level where we could make a large impact on the high school softball program. With the 2022 season that will change. We have an increased interest in softball being shown by the younger ages as well. The JWS Board is committed to the development and growth of each player in our program, on and off the field. We are looking for businesses with that kind of commitment to advertise through our association.

With support of businesses like yours, the Junior Warrior Softball Teams will be offered more clinics, better facilities, increased number of tournament opportunities and individual players will be provided with the opportunity to play, thanks to scholarships, that may otherwise not have received the chance. We are looking forward to a great season and hope to make a significant impact.

I hope that we can count on your support this season.

All funds are to cover operations and expenses such as Player Scholarships and Tournament Registration just to name a couple. Please review with your tax accountant the potential tax implications for your personal situation and the deductible nature. Receipts for revenue received will be given upon request; it is incumbent upon you to accurately report the value.

Kindest Regards and Thank You for your support,

JWS Board.
