Dear Senator and/or Representative,

I am writing to share my support for LRB 2140 / LBR 2956.

I strongly believe in prohibiting discrimination against any person based on vaccine status.

It is completely unacceptable for either the government or the private sector to impose upon you the requirement to show proof of vaccination to simply be able to participate in a normal, free society. LRB 2140 / LBR 2956 details which types of situations, like schools, insurers, or those seeking housing or treatment, people could potentially be discriminated against based on their vaccination status.

As your constituent, I kindly request that you consider being added as a co-sponsor of LRB 2140 / LRB 2956. Please email Senator Jacque at Sen.Jacque@legis.wisconsin.gov or contact Senator Jacque's office at 6-3512, or please email Representative Clint Moses at Rep.Moses@legis.wisconsin.gov or Rep. Moses' office at 6-7683.

Sincerely,
