EMAIL CONSENT

Email offers us an easy and convenient way to communicate between office visits. For us to serve you best, we ask that you follow the below guidelines for email communication.

Conditions for email communication:

- Emails are great for asking general questions that do not require detailed discussion and for clarification of previous recommendations.
- Emails are not meant to replace in-person or phone appointments, nor are they meant to discuss new wellness concerns or receive new wellness consultations.
- Although we do check email regularly, we cannot guarantee that we will be able to answer your email right away nor can we guarantee that we will receive it. Call the office if the matter is urgent or if you do not hear back from me within a reasonable amount of time.
- Confidentiality is not guaranteed with emails! It is like sending a postcard in the mail.
- Email is never appropriate for emergency situations. Please call your medical treatment provider or your local emergency department.
- Emails may be added to your patient chart.

Finally, either one of us can revoke permission to use the email system at any time.
