

Notice of Text Message Practices

Coachella Valley Anesthesia Text Message Policy

By providing your mobile number on our website, you consent to receive SMS updates and information from Coachella Valley Anesthesia. These messages may include important updates, scheduling information, and other relevant communications related to your care or our services.

- **Message Frequency:** Message frequency may vary.
- **Message and Data Rates:** Standard message and data rates may apply.
- **Opt-Out Instructions:** You can opt-out of receiving these messages at any time by replying STOP to any message.
- **Help Instructions:** For assistance, reply HELP to any message.
- **Privacy:** We value your privacy and will never share your personal information with third parties for marketing purposes.
- **Consent:** Consent to receive SMS messages is not a condition of purchase or service.

For more information, please read our Terms and Conditions and Privacy Policy.

Reporting Spam

If you receive spam messages, please forward them to 7726 (SPAM). This helps providers improve their spam mitigation tools.

About CTIA

CTIA, the Cellular Telecommunications and Internet Association, advocates for the wireless industry in the United States. They work to promote legislative and regulatory policies that encourage innovation, investment, and economic growth in the wireless sector. For more information, visit their website at CTIA.org.
