Subject: Reference Letter - Dennis Scott

To Whom It May Concern,

As a Senior Manager of IT at AGCO, I am pleased to write this reference letter for Dennis Scott, who has worked with us for nearly seven years. During this time, Dennis has been instrumental in enhancing our business proficiencies with our JDE ERP Systems.

Dennis is not only highly knowledgeable in his field but also exceptionally reliable. His dedication to resolving issues, regardless of the day or time, has been invaluable. Dennis consistently collaborates with our team to ensure that any problems are addressed promptly and effectively. His commitment to his work and the team's goals has made him a trusted and integral part of our operations.

Although we did not work closely together on a daily basis, I have always appreciated his contributions. The team frequently praised his efforts and professionalism, which gave me great confidence in his capabilities. In meetings, Dennis's expertise and earnestness made him indistinguishable from our full-time employees, while always respecting the boundaries of his role.

If the opportunity arises to bring Dennis back to AGCO, I would wholeheartedly support it and do my utmost to facilitate his return.

Best regards,

Michael Taylor
