Dear Mr. Rasaiah:

Thanks for getting in touch with me about emissions from Algoma Steel Inc. I appreciate having this opportunity to hear what you have to say.

Our government is committed to moving forward with our environmental plan that works for the people. We will continue working to protect our environment, find efficiencies and save taxpayers money.

I've forwarded your email to the Honourable Jeff Yurek, Minister of the Environment, Conservation and Parks, so that he may also be aware of your concerns.

Thanks again for contacting me.

Doug Ford
Premier of Ontario

c: The Honourable Jeff Yurek
