DONATED DENTAL SERVICES

About Us

The MFD is a non-profit, 501(c) (3) formed in 1989, by caring dentists willing to help Marylanders with disabilities access dental care.

Our mission is to provide pro bono dental care to improve oral health and maintain dental function for eligible Maryland adults (18+years) with intellectual, physical, or developmental disabilities who are unable to pay for their dental care.

Why Join the MFD?

1 You ensure that patients get needed care; you will see their transformation from start to finish in your private office. You are supporting the community in which you work.

2 Since oral health has such an impact on general physical health, a patients' health is improved tremendously by seeing an MFD volunteer dental provider.

3 All laboratory fees are donated by laboratories and/or paid by the MFD at no cost to you. Specialist referrals are available upon request and are coordinated by an MFD Patient Care Coordinator.

4 Earn up to 8 CE credits per renewal period.
