

Barkitecture

is back, Fur-baby!

Barkitecture is a unique pet furniture design competition and fundraiser.

Joy Collaborative invites architects, designers, construction enthusiasts and pet-loving DIYers to showcase their creativity and craftsmanship at the 2022 Barkitecture Auction & Fundraiser! Your participation in this fundraising event will help Joy Collaborative transform the lives of young people, and bring smiles to pet lovers who purchase your unique creations.

- 1 Read the design & fundraising brief.** It includes design limitations (size/weight), considerations (materials), transportation logistics, and tips & tricks to a successful build.
- 2 Register your team.** Submit your design concept, design sketches or images or videos and set your fundraising goal. (We'll confirm when you're good to go!)
- 3 Design/Build your structure.** Collect materials, refine the design and build your structure. Share progress photos with Joy Collaborative to be featured on our social media!
- 4 Get fundraising.** We will create a dedicated fundraising page for your team. You can share this URL with friends & family who can safely donate to Joy Collaborative!
- 5 Attend Barkitecture!** At the live event, we'll share news about Joy Collaborative, auction your structure, celebrate fundraising successes and present 'best in show' awards!
