

Ege Consulting

Occupational Health & Safety Policy

It is the policy of the Ege Consulting to manage all of its activities so as to avoid causing any unnecessary risks to the safety and health of its employees, clients, learners, any member of the public or other interested parties who may be affected by its operations.

This policy means that Ege Consulting has commitment to:

- Comply with applicable legal and other requirements and will take any additional measures and allocate resources, it deems necessary.
- Continual improvement in HSE management and performance.
- Communicate hazards and aspect, effects and impacts and finally appropriate controls with interested parties.
- Control risks and prevent injuries to interested parties.

The application of the policy will be a prime consideration in the management of all Ege Consulting activities. Health, safety and environment matters will be ranked as the first priority throughout its operations. The efforts of all its employees and learners will be valued as essential to the business.

The management of Ege Consulting see the achievement of the objectives outlined in this policy to be of primary importance to the wellbeing of employees and learners and fundamental to the future success of the business.
