

External Sling Load Endorsement

Your initial induction would incorporate compiling a student training folder and covering the requirements of the External Sling Load course.

The course is structured to cover the lesson plan and comprises of five (5) hours of instruction including short line, long line and the Pre Assessment Test. The Assessment Test is in addition to the training hours laid out in the syllabus of training.

Prior to being tested for the endorsement, you will be assessed to ensure competency and upon successful completion of the course you will be issued a Certificate of Achievement.
