

Instructor Rating – Grade Three

This course of training is designed for instructional staff to provide instructor students with a clear and effective method of training to assist them in maintaining the highest level of effectiveness and safety as a flight instructor with a Grade Three (3) endorsement.

Prior to commencing your Instructor Rating course of training, you are to have passed a theoretical examination. This examination is conducted by ASL and has a pass of 75% which is to be completed within two (2) hours.

The course is structured to cover in excess of thirty (30) hours of briefings and the lesson plan comprises of thirty two (32) hours of instructional flying including the Pre Rating Test. The Rating Flight Test is in addition to the training hours laid out in the syllabus of training.

Prior to conducting the Rating Flight Test, you will be assessed to ensure competency and upon successful completion of the course you will be issued a Certificate of Achievement.
