## RE: Qualifying Foster Care Charitable Organization – Approval

Greetings Ms. Walski:

The Scott Foundation meets all criteria to be considered a Qualifying Foster Care Charitable Organization. Your organization's name will be added to the list of qualifying foster care charitable organizations on the Arizona Department of Revenue website during the next regular update, scheduled for July 5, 2016. You can find the list on the Arizona Department of Revenue website at [azdor.gov](http://azdor.gov). Just click on "Tax Credits", "Qualifying Charitable Organizations" and then "2016 list".

Enclosed is a certificate acknowledging that your organization meets all criteria to be considered as a Qualifying Foster Care Charitable Organization. You may display the certificate or keep it in file.

The department may periodically request organizations to recertify their status. Your charity's status is valid for the entire 2016 calendar year and until you hear from us again. Your organization must also notify the department of any changes that may affect its qualifications.

Thank you for your request to qualify your organization as part of the tax credit for charitable organizations.

Regards,
