

2019 MARCHING SEASON MEAL PLAN

A meal plan is being offered during Marching Season, to ensure that each student has an opportunity to eat during our dinner breaks and to prevent parents from having to make an extra trip to school to bring their student food. We have negotiated the best price per restaurant and are able to keep the pricing down to \$6.50 per meal.

There are 4 remaining days in August in which we will be serving dinner. Please choose the meal plan you would like below and submit payment to the Hospitality Box in the band office or to Carolina Velazquez as soon as possible. **Please circle or check your food options below.** We will be alternating the restaurants to prevent redundant meals.

For any questions, please contact Carolina Velazquez at jptbandhospitality@gmail.com.
