

NONDISCLOSURE AGREEMENT

This Agreement is entered into between _____ (Recipient)
of _____ (City), _____ (St), _____ (Zip) and

(Inventor) of _____ (City), _____
(St), _____ (Zip).

All data, samples, materials, ideas and/or other information, whether oral or written,
which relate to the product identified as _____ (Product) and
described as:

which are disclosed or made available to Recipient by Owner, directly or indirectly,
for the purpose of Recipient providing a proposal relative to the Product.

All information provided by Owner to Recipient shall be treated as confidential and
Recipient may not disclose directly or indirectly, to any third party nor use this
information for any purpose other than the benefit of Owner.

Recipient further agrees to take any and all other reasonable steps to preserve the
confidentiality of all such information including product and customer data, samples,
materials, ideas and/or any other information including but not limited to returning or
destroying all information and materials received from Owner, including copies, at the
conclusion of such discussions.
