

West Sound Baseball Sponsorship Form

Our Mission Statement:

Our mission is to provide the best possible environment in which to excel daily on and off the playing field, and to use the game of baseball as a tool to educate, promote and instill the qualities necessary to succeed in the game of life through teamwork, accountability, communication, discipline, and competition.

The West Sound Baseball Club is a program dedicated to the development of our players, not only on the field, but off of it as well. We believe that our program will experience success on the field because our teams are comprised of coaches and players who bring knowledge, skill, fairness, competition and respect to the game of baseball. We believe our program will be successful off the field because we will hold our players accountable to the high standards of West Sound Baseball, which includes success in the classroom, as well as the community. Through the generosity of local businesses, the West Sound Baseball Club will be able to fund and offset many of the costs typically incurred by the players. These costs include uniforms, tournaments/league play, facility/ field rentals, equipment, and coaches. We have high level coaching throughout the program, as most of our coaches are former college or pro players. This will ensure that the best and latest techniques and training are available to all players in the program. We believe this is something that sets us apart from most other programs in the state. Our goal is to not only develop top notch athletes, but to also develop quality human beings. We have adopted the #buildingmen philosophy as a key focal point in our program. Every player in our program will represent our program, our sponsors, and our community with honor, class, and respect. Please see our sponsorship packages on the next page.

If you are interested in sponsoring our program, please complete the info below.

Thank you for your consideration in promoting and sponsoring this program.
