

Understanding the Design Process - From Concept to Completion

Our process is structured, creative, and transparent. In this guide, we walk you through the five key stages of a typical design project with GA Designs. Whether you're a first-time homeowner or a seasoned developer, you'll know exactly what to expect at every phase.

Highlights:

- Discovery & needs assessment
- Schematic design & layout planning
- Detailed drawings, material selection, and interior mood boards
- 3D rendering, BIM coordination, and documentation
- Final handover, punch listing, and post-design support
