

STILTBEAST STUDIOS BEAST FX LATEX MASK PAINT

Technical Bulletin

DESCRIPTION: Beast FX Latex Mask Paint is a premium, opaque paint specially formulated for latex masks, EVA Foam and Expanded Polystyrene.

MIXING: Stir well before each use.

SHELF LIFE & STORAGE: Use within three months. For best results, store products in unopened containers at room temperature (60-90°F). Exposure to temperatures <45°F and >80°F may damage your paint causing irreversible coagulation. Do not store in unlined, metal containers. DO NOT ALLOW TO FREEZE.

CLEAN UP: Clean up wet and dry paint with soap and water.

SAFETY: Before use, read product labels and Safety Data Sheets. Use with adequate ventilation. Avoid contact with the eyes, skin and clothing. Wash thoroughly after handling. Do not eat, drink or smoke in the work area. Keep container closed when not in use.

DISCLAIMER: The information contained herein is considered accurate; however, Stiltbeast Studios makes no warranty regarding its accuracy. The user must determine the suitability of the product for the intended use and accepts all risk and liability associated with that use.
