

# VISA AND IMMIGRATION

For applicants coming to Iconic Football Academy from outside the European Union (EU) and the Schengen Area, specific visa requirements apply. Non-EU and non-Schengen citizens will typically need to obtain either a Schengen Visa for shorter stays or a Student Visa for longer educational programmes.

The Schengen Visa allows for travel within the Schengen Area for up to 90 days, while the Student Visa is suitable for extended stays related to academic pursuits. Our team is dedicated to assisting you with the visa process, ensuring a smooth transition to your football journey in Spain.

## FROM THE UK

For stays over 90 days, a UK citizen needs to apply from the United Kingdom before traveling. We'll provide full support throughout the process, ensuring you have all the required documents such as proof of enrolment and accommodation details. You will need to submit your conditional Letter Of Acceptance (LOA) which will serve as an essential document during the process. Our team is here to guide you step by step, making the process as smooth and stress-free as possible.

## FROM THE USA

If you're joining us from the USA, you'll need to apply for your visa in your home country before arriving in Spain.
