Pawtners In Crime

We've made it our mission at BaristaCats Cafe to do what we can to support other small businesses as much as we can to not only bring our customers the highest quality items we could, but also, support those who deserve it the most.

In opening our online store, we've pawtnered with several businesses already who care about kitties and our community as much as we do!

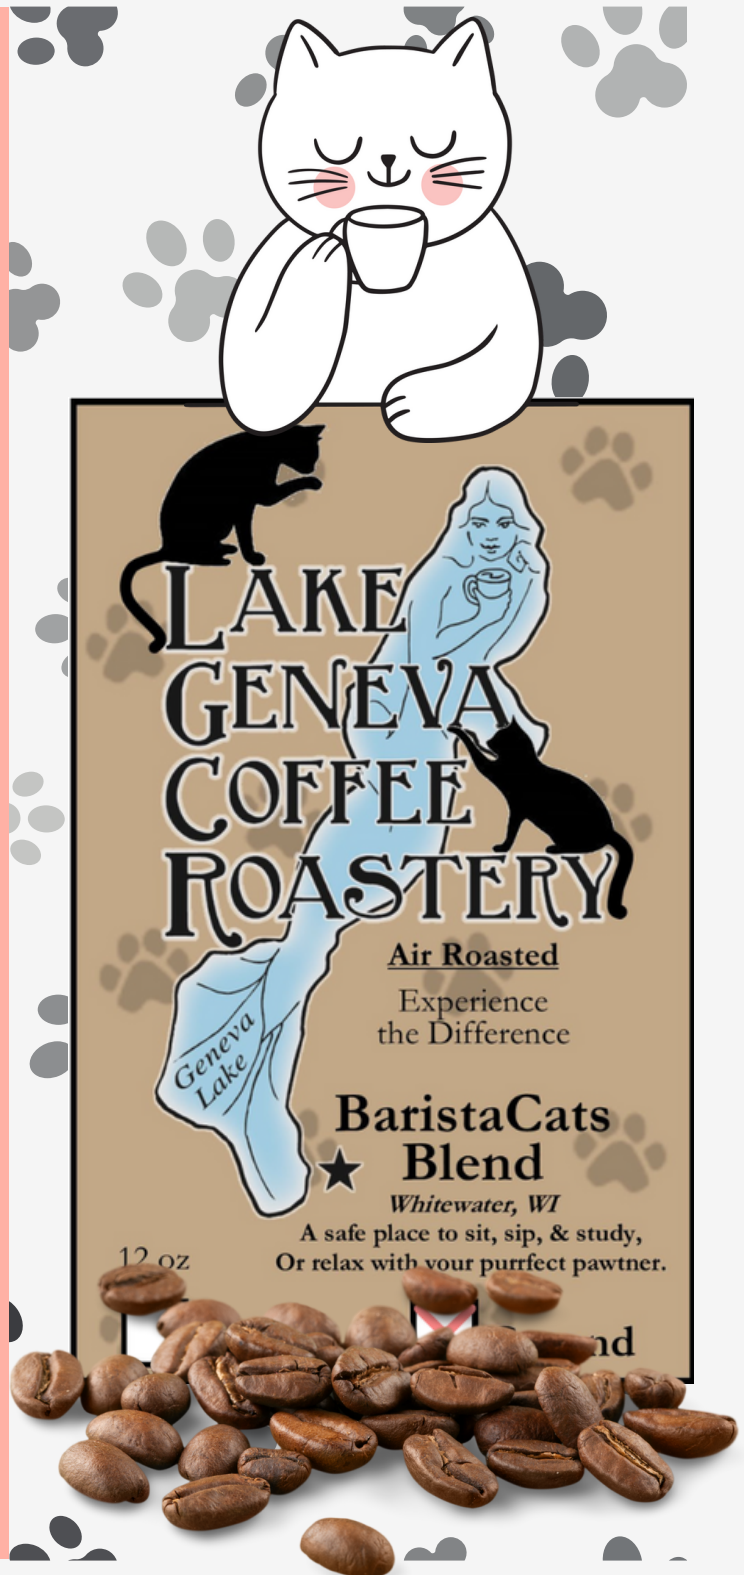

Get To Know Our Custom BaristaCats Blend Coffee

Can't wait for us to open our doors to try our custom coffee blend, courtesy of Lake Geneva Roastery? Who can blame you? It's purrfect!

Did you know 95% of coffee on the market is roasted with Natural Gas? That's part of what makes ours so unique! It is Air Roasted, which means it can be packaged right away for guaranteed freshness.

Brew yourself a cup at home, curl up with your favorite kitty, and enjoy!

Our coffee is now available in our online store!

Giving a Good Home to Local Stray Artists

Are you a local artist who is looking for a place to display your art?

BaristaCats Cafe is happy to be able to offer up wall and webpage space for those who want to be apart of the cafe!

100% of profits go right back to you as the artist. We don't want a cut, we just want to support the community, and do a little good for artists during a time where it's so hard to make a name for yourself in the art world.
