

# Terms and Conditions of Bouncy Castle Hire

---

Detailed below are the terms and conditions for hire in respect of our bouncy castle and associated equipment. Please read through our terms and conditions thoroughly and sign at the bottom to signify your acceptance of them. Please note that we reserve the right to cancel any booking at any time should we feel it necessary, for example, in extreme weather conditions. It is imperative that you, the hirer, ensure that there is easy access for the driver to deliver the units and have sufficient space to set up the inflatable. If this is not the case or the area is not fit for purpose i.e. on a slope etc. full payment will still be due from you, the hirer.

1. Children's Bouncy Castles are STRICTLY for children who should be no taller than the inside walls. At no point should adults be allowed to use the inflatable as this could cause unnecessary damage to the product, which will result in the hirer being faced with charges.
2. The driver is to be paid upon delivery of the unit, without fail. Deposits/Booking fees are non-refundable and late cancellations (under 24hrs before hire date) will be charged at a rate of 50%.
3. Under no circumstances are signs, banners or posters to be glued, taped or hung to the unit at any time during use.
4. The hirer is responsible for any damage or incurred that has occurred whilst the products are in your possession.
5. You, the hirer, are to ensure that there is a competent and responsible adult to supervise the unit at all times. The unit cannot be left unattended at any time whatsoever.
6. If the unit is being hired out overnight, any product or accessory in your possession is to be stored safely indoors.
7. All children must remove their shoes before entering the inflatable; however, socks must be worn at all times. No food or drink is to be consumed on the inflatable.
8. There is to be no foul play on the inflatable i.e. no climbing on the walls.
9. The hirer is to ensure that the inflatable is kept safe, all times, throughout the hire as any damage caused or any items that are misplaced whilst they are in your possession will incur a charge proportionate to the damage caused.
10. All units are checked upon delivery, with the hirer named above, and by signing this agreement, it signifies your acceptance that the inflatable has been set up correctly and is in a good, clean condition.

11. Only our delivery driver is authorised to collect the inflatable, and under no circumstances should any of the equipment be handed over to anyone other than our delivery driver.

12. The hirer is to ensure that extra care is taken with the extension cables and these are kept safe from being tripped over.

13. The inflation fan is to be checked regularly throughout the hire to ensure that it is not covered with any rubbish or debris, if so; it is to be removed immediately.

14. The safe number of children on an inflatable at any one is as follows: 15'x15' = 8 max, 12'x14' = 6 max, 11'x15' = 6 max, 14'x8' ball pond = 5 max, 16'x14' = 6 max and 19'x19' slide = 4 max. ADULT SUPERVISION IS NECESSARY. You the Hirer must ensure units are tethered down with the appropriate items which have also been supplied to you. Do not use in high wind or very bad weather.

**I hereby confirm that I have read, understood and accepted the above terms and conditions of hire and agree to hire the equipment from Rainbow Families Yorkshire CIC subject to these terms and conditions.**
