

## *The Code Official's Prayer*

*Dear Lord, I thank you for the opportunity  
to serve your community today.  
Help me be a good steward of the resources  
and people you have entrusted me with.  
Give me wisdom to administer my duties  
faithfully and to ensure your people remain  
safe under my watch.  
Protect me, guide me, and keep me from  
harm.  
I submit my will to you for the advancement  
of your kingdom.  
May your name be magnified in all I do and  
may others come to know your goodness  
through my obedience.  
In Jesus' name.*

*Amen.*
