All portraits created by CFPSTUDIO are
Protected by Federal Copyright law.
Portraits can not be copied,
scanned, manipulated or enhanced
without written permission.

#### Portrait Session Fee - \$45

Our portrait sessions of couples & families include at least two backgrounds and several different posing configurations.

Your photographer will choose the best background for the clothing you've chosen and the portrait style you're looking for.

Family portraits done on location - add \$100 (minimum) to the above. Price varies on location.

We are located steps away from some GREAT outdoor locations that do not require an additional fee. Give us a call today

\*\*With location portrait sessions, the previews will be viewed at the studio at a later date.

### **PHOTO RETOUCHING**

Retouching is included on all portraits.

Sometimes switching a head from one pose to another will make the perfect portrait.

\$15 per head switch.

#### SATURDAY BOOKING POLICY

Saturday appointments require a \$35 deposit. Appointments rescheduled at least 72 hours before your scheduled appointment can be used for another date and time. Appointments cancelled or rescheduled less than 72 hours forfeit the deposit.

## What to expect after the session

Just a few minutes after your portrait session. A portrait consultant will preview your images with you and help you pick the best ones for your families needs. We encourage you to come prepared with an idea of who you plan on giving portraits to as well as what you may want for your home.

Once your order is finalized, each pose is expertly retouched and custom printed for you.

Your portraits will be ready for pick up in our studio 4-6 weeks after final payment is received.

Payment Methods Cash, Check or Credit Card

Make checks payable to CFP Studio

All orders require Full Payment before processing will begin
