Notes about shipping PLEASE READ AND BE ADVISED

- Full UPS Firearm Guidelines: Full UPS Firearm Guidelines: How To Ship Firearms | UPS - United States
 - This is your responsibility and is meant to help you understand your requirements to legally ship firearms to us. It is in no way meant to be a complete guide. It is meant to get you on the right track
 - Rifles and shotguns can be shipped by UPS ground service.
 - The shipper (you) must use Delivery Confirmation Adult Signature Required and Direct Delivery Only services for each package containing a Firearm and affix a UPS label requesting an adult signature upon delivery.
 - All Firearm Products must be shipped in new corrugated packaging that meets the UPS Single Wall Box Strength Guidelines.
 - The labeling and outer box markings on all Firearm Products shipments must not identify the contents as containing Firearm Products. Labeling, including the shipper's and consignee's abbreviated names on the shipping label or air shipping document, must be non-descriptive.
