\* All mail orders are prepay only. **Please remember to include return shipping costs with payment**  
Checks are accepted but must clear our bank before return shipping

\* Additional breakdown fees or additional prep not initially discussed may be subject to additional charges. You will be contacted if this is the case. Please let us know if you are not capable of completely stripping your firearm down so we can discuss options up front

\* Central KY Hydrographics takes great care to pack your parts for secure shipping back to you. We are not responsible for damages incurred during shipping and in no way are we held responsible for replacement of damaged parts
