RE; (INMATES NAME & INMATE NUMBER)

Dear Sir/Madam,

I am a concerned citizen of this country and I am writing in support of the clemency for (inmates name & inmate number) as I believe like so many others that no one belongs in jail for a plant. With the cannabis laws in this country being new and varying policy differences state by state, I do believe strongly that we need to incorporate a lenient state of mind within our judicial system as where there is no victim there is no crime. Please keep in mind that Cannabis has been deemed an essential during these times of Covid-19. I Thank you for your kind consideration in this sensitive matter.

Sincerely,
