## Studygascar Covid-19 Pandemic Safety Protocols and Policies

Studygascar Math and Chess Learning Center is committed to ensuring the health and safety of our staff, students, and parents. Therefore, we will enforce the existing protocols set forth by The County of Santa Clara Health Officer, California Department of Public Health, and CDC.

1. Face coverings are strongly recommended to be worn by students during our in-person classes. The staff will wear face coverings.
2. Only students will be allowed at the center during in-person classes or camps (no parents are allowed inside the center).
3. Our staff is fully vaccinated and will remain up to date on Covid-19 vaccinations.
4. Vaccinations are recommended for students.
5. Frequent handwashing is highly recommended.
6. Sensible social distancing will be observed inside the center.
7. Students with any Covid-19 or cold-like symptoms, such as fever or chills, cough, sore throat, congestion, or runny nose, etc. will not be allowed inside the center for the safety of other students and staff. Parents of such students should email us to schedule online make-up classes (all levels of our group chess classes are available online).
8. If your child was tested positive for Covid-19 and has recently attended our in-person classes, please notify us via email right away so we can adjust accordingly. Any students who recently tested positive for Covid-19 should take online make-up classes.
9. Students who were tested positive for Covid-19 should follow the recommended guidelines set forth by California Department of Public Health ([Covid-19 Guidelines](#)) before returning to in-person classes.
