

ERAREL

CAPABILITY STATEMENT

UEI: HVJXQH2ALUV2 CAGE CODE: 9QAQ7

OUR CERTIFICATIONS

OVERVIEW

We specialize in aircraft Maintenance, Repair, and Overhaul (ACFT MRO) rollups, strategically integrating businesses with government contracts to drive profitability through synergies.

DD2345 Certification – U.S. Joint Certification Program (JCP)
Enables ERAREL to access unclassified technical data for U.S. Department of Defense (DoD) and Canadian Department of National Defense (DND) programs.

Our certifications enhance eligibility for government contracts and promote opportunities for underrepresented groups in federal and state contracting.

MISSION

To enhance Aircraft MRO standards through industry expertise and synergies

VISION

To stand as the top-tier provider consistently chosen for Aircraft MRO services

Our tagline:

Aircraft, Masterfully Maintained
