30th. March 2021

Announcement.

I wish to let it be known that I do **not** intend to apply to be re-appointed as Seneschal when my current term of office expires in July 2021 (my 67th. birthday). I am making this known now in order to give the Appointments Committee plenty of notice to consider my replacement.

I have been Seneschal since 2013 and Deputy Seneschal before that commencing in 2000 and I consider the time is right for me to step down and make way for younger, fresher minds.

It has been a great honour to have been able to serve the Island in this way for these years and I hope to continue to do so in some other role.

Jeremy La Trobe-Bateman, Seneschal.
