New Partnerships

EMGLEX is excited to announce that it has added Loyola University's John Felice Rome Center to our list of partnerships! We are proud to introduce our new fall intern from the JFRC, Melissa Bornovali!

Melissa is a junior at Loyola University Chicago. She is originally from Cincinnati, Ohio. Although Melissa is majoring in political science, she is also on the premed track.

Congratulations Dr. Asrow!

We are proud to share that our founder and director Dr. Alexandra Asrow has recently been appointed as the next Chair of the American College of Emergency Physicians International Ambassadors Program!

We celebrate her new role and look forward to what the future may bring through this new direction. We have high hopes for this collaboration in working toward the common goal of expanding, developing, and promoting Emergency Medicine globally.

Thanks again for your support, see you on October 13 at the virtual conference at 11am CST! The link to join is: <https://fccdl.in/i/emglex>
