

Elite Dance Center- Covid-19 Guidelines

- All parents will be required to sign a waiver prior to any dancer being permitted in the building. This will be an additional item in your waiver you sign each year when registering.
- The studio will be cleaned and sanitized every day prior to the start of classes. Surfaces and bathrooms will be cleaned and sanitized in between classes. Surfaces will include ballet barres, tumble mats, and any prop used during class time. All cleaners are CDC recommended.
- The lobby will be closed to observers with the exception of our 2-3 creative movement and Diamond dancer parents. For those classes we can only allow one adult in the building per dancer. No siblings. All parents will be required to wear a mask while in the building. All other dancers will be greeted at the door by a staff member. They will be given hand sanitizer and have their temperature taken by a no touch forehead thermometer. Once inside they will each have their own sanitized basket to put their shoes. Please only send in what they need for class. Water bottles should be disposable. Class will dismiss 10 minutes early so we can clean and prepare for the next class. Parents need to wait outside by the door and your child will be escorted out by a staff member. We cannot allow dancers to go out in to the parking lot so please do not wait in your car. Assistance can be made available for parents who will have siblings with them for drop off and pick up.
- All staff members will wear a mask during our normal operating hours to include while they are teaching. Due to the Governors current executive order all dancers age 5 and older will need to wear a mask to dance class.
- All bathroom breaks will be monitored to ensure children are washing their hands. Bathrooms will be wiped down after each use.
- Dancers will not be permitted to use the water fountain or purchase items from the vending machine. As stated earlier they can bring water to class. Please only disposable bottles.
- If your child has symptoms or tests positive for the coronavirus or is in contact with someone who has either displayed symptoms or has tested positive please notify the studio immediately. We will follow all CDC recommended guidelines.
- Payments will no longer be taken at the studio. All credit card payments will need to be done through your parent portal or you can sign up for auto draft. Checks can be mailed to the studio or sent with your child in a labeled envelope.
